Postcard Instructions:

1. Print postcard on card stock, 2 per page and cut them into 2 postcards.

2. Have the students design the front of the postcard around something they saw or did at the Leonis Adobe.

3. Have the students write a friendly letter to someone about their visit to the Adobe.

4. Have them design a stamp for the upper right hand corner of the back of the postcard.

5. Have the students address the card, it can be sent if you choose.
